High Gloss

Door Range | Price Group 4

18mm Gloss Foil Wrapped MDF Door Range
Featuring Colour Coordinating Accessories

Brighten up your living space with this selection of high gloss finish plain doors.

As fashionable as ever they add a sparkle of glamour to any kitchen layout.

Use bold dramatic effects such as the strong black or claret or use the soft subtlety of more neutral shades to emphasise the drama that takes place every day in the living room we call the kitchen.

HIGH GLOSS

HIGH GLOSS WHITE

Create an interior for modern living with our stylish High Gloss White kitchen which is highly functional while enhancing light and space.

This door has it all, truly a classic beauty, fresh & appealing with a wide selection of contrasting worktops & modern handles.

HIGH GLOSS IVORY

Craftsmanship at its best, our sleek High Gloss Ivory door is rich, creamy and very very indulgent.

Whilst understated, this door offers the latest in contemporary finishes & will create that much sought after ultra modern look.

High Gloss Range

Our High Gloss range of doors are compiled from 5 of our most sought after doors finishes, ranging in colour, with a high gloss finish.

Supplied in a wide range of contemporary options complete with a wide selection of handle options, door and drawer sizes

HIGH GLOSS CAPPUCCINO

Effortless beauty and sophistication sums up the features brought to you in our High Gloss Cappuccino door.

With soft elegant yet subtle lines, your kitchen will always be a much talked about focal point.

Cabinets

We offer a mix of colour coordinating and aluminium cabinets in this range with a wide range of cabinet types to suit all the most common kitchen layouts and those not so common.

Our cabinets are manufactured using 18mm high density particleboard for maximum durability

HIGH GLOSS CLARET

Inviting, inspirational, intimate & individual, our High Gloss Claret door offers all of this & much more, it is truly irresistible.

Rich in colour, this door choice is designed for the most up-to-date contemporary of kitchens.

Performance

Our cabinets are all rigid construction & manufactured to BS6222 Part 2 with a range of cabinets tested to FIRA GOLD standard.

Our hinges are 170° as standard with metal box drawer system.

HIGH GLOSS BLACK

Making a statement, our High Gloss Black door will definitely do that, oozing style and sophistication, this door has it all.

Streamlined, understated, chic & sleek and will, without a doubt, compliment any kitchen interior.

Environment

The wood based materials used in our products are all UK sourced with a 50% minimum recycled content, FSC accreditation and manufactured to ISO14001 environmental standards to ensure maximum values of sustainability are maintained.

Quality

Its what we know best, we are fully ISO 9001 accredited and strive to provide the best quality possible.

SHAKER

Door Range | Price Group 4

Foil/Vinyl Wrapped MDF Door Range
Featuring Colour Coordinated Cabinets & Fittings

The Shaker Door is a traditional solution perfectly suited to many kitchen designs.

We have maintained the traditional look offered by the Shaker door with appropriate conventional woodgrains or cream colour which will never go out of fashion yet are still ultra modern.

A range which is ultimately most useable, elegant and practical.

SHAKER

CREAM SHAKER

Powerless to the charm of our cream shaker door, you will love the timeless simplicity of this stunning design.

This door can be used in a variety of environments, whether creating a contemporary look or a traditional one.

MAPLE SHAKER

The light blonde colouring of our Maple Shaker door symbolises balance and harmony.

With its timeless look, this door can lend itself to any modern or traditional interior depending on the layout and decoration to give an eternally loving appearance.

BEECH SHAKER

Simple styling and the warm colourings offered in our Beech Shaker door will compliment most materials and finishes.

An easy choice, this door will create the perfect look for your kitchen without ever compromising on quality

CALVADOS SHAKER

The rich alluring tones of our Calvados Shaker door pulls of a look which is still contemporary, yet retains an air of quiet sophistication and elegance.

Calvados, warm and welcoming, for the room at the heart of the home, create your perfect kitchen.

Shaker Range

Our Shaker range of doors are compiled from a mixture of 4 coloured doors, 3 woodgrain and 1 plain coloured.

A wide range of unit options is available complete with a wide selection of handle options, door and drawer sizes

Cabinets

In this range our cabinets are fully colour coordinated with a wide range of cabinet types to suit the most universal of kitchen layouts and those that aren't.

Our cabinets are manufactured using 18mm high density particleboard for maximum durability

Performance

Our cabinets are all manufactured with a rigid construction to BS6222 Part 2 1997 Level H with a range of cabinets tested to FIRA GOLD standard.

Our hinges are 170° as standard and we offer a metal drawer construction as standard.

Environment

The wood based materials used in our products are all UK sourced with a 50% minimum recycled content, FSC accreditation and manufactured to ISO14001 environmental standards to ensure maximum values of sustainability are maintained.

Quality

Its what we know best, we are fully ISO 9001 accredited and strive to provide the best quality possible.

Touchwood

Door Range | Price Group 3

18mm MFC Veneer Textured Door Range
with 2mm Matched ABS Edges

Allow your fingers to caress the beautiful surface texture of this real wood-like range designed with both the contemporary and traditional looking kitchen in mind.

We offer a wide range of effects from the lightest ash through to the ultra chic rosewood.

These colours are ideal for you to combine with abstract worktops and bright steel handles.

TOUCHWOOD

TOUCHWOOD CREME

The neutral feel of the Touchwood Creme door allows you to create a calm, serene environment in the busiest, most hectic in your home - your kitchen!

TOUCHWOOD SAND

The captivating natural beauty of the Touchwood Sand door always delivers an exceptional, eye catching look which will give you pleasure time after time.

TOUCHWOOD ASH

The light simplistic cross-grain of our Touchwood Ash doors illustrates the natural radiance of ash wood, creating an exquisite focal point within your kitchen.

TOUCHWOOD OAK

Traditional in colouring, but contemporary in design, our Touchwood Oak doors are easy to coordinate and will give you enjoyment for years to come.

TOUCHWOOD PLUM

At the peak of fashion the seductively textured Touchwood Plum door exudes a warm contemporary feel to a modern kitchen which is only enhanced by the wild cross grain effect.

TOUCHWOOD ROSEWOOD

Seductive and Intense best describes the dark mysterious tones of our Touchwood Rosewood door with its distinctive horizontal texture, this door offers the latest in market trends.

Touchwood Range

Touchwood features a natural feeling woodgrain texture which is easy to clean yet gives the unmistakable appearance of natural wood.

Perfect with natural wood tones we offer a range of traditional woods with natural highlights to offer a contemporary feel.

Cabinets

We offer a mix of matching and aluminium cabinets in this range with a wide range of cabinet types to suit all the most common kitchen layouts and those not so common.

Our cabinets are manufactured using 18mm high density particleboard for maximum durability

Performance

STYLELINE

WESTRAY WHITE

Fresh & simple, this door is gorgeous and will work amazingly with any choice of decoration offering a neutral background and the potential for using contrasting worktops and decoration.

Create a natural, distinctive and clean look with Westray White.

CRAIGIE CREAM

Our plain cream coloured door is truly stunning, working well with bold colours and strong woodgrains.

Alternatively, neutral colours will also compliment this door, creating a sleek contemporary look, that will be fashionable for years.

CAMPERDOWN MAPLE

Simply a classic door this maple slab door offers its light and uncomplicated appearance to perfectly complement a variety of kitchen styles from contemporary to traditional.

KINNAIRD BEECH

Beech is a wood grain which will never go out of fashion with a colour which is both warm and easy to use in the kitchen.

The beautiful warm tones of this slab door are perfect to create a classic kitchen with clean lines and timeless elegance.

PANMURE CALVADOS

The rich warm tones of this calvados design offer a welcoming invitation to the heart of your home, your kitchen.

Panmure Calvados offers a smooth, easy to maintain surface complete with soft rounded corners and easy to clean texture.

Styleline Range

The Styleline range of doors are a mix of slab doors featuring smooth rounded corners and matching reverse sides.

These doors represent the best selling colours and woodgrains in the market today and can be combined with a wide selection of matching cabinet colours for a high value, totally coordinated kitchen furniture appearance.

Cabinets

We offer a range of colour coordinated cabinets for this range featuring the widest range of cabinet types available to satisfy the demand for even the most individual kitchen layouts and designs.

Our cabinets are manufactured using 18mm high density particleboard for maximum durability.

Performance

Our cabinets are all manufactured with a rigid construction to BS6222 Part 2 1997 Level H with a range of cabinets tested to FIRA GOLD standard.

COSMOPOLITAN

LISBON BRONZE

Representing the latest trends in the market place, our stunning Lisbon Bronze door offers the timeless appearance of contemporary kitchens throughout the world.

MONACO MAPLE

Our Monaco Maple door with its vertical wood-grain pattern is so light it positively shimmers.

Featuring a beautifully figured woodgrain, this door is both neutral & easy to coordinate.

ROME CHERRY

This is a cherry wood grain with a more modern colouration to bring out the richness of the wood for a striking yet timeless feel to a modern kitchen layout.

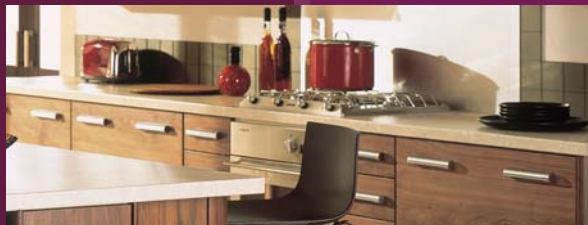

HAVANA BEECH

The stalwart beech tree provides the inspiration for our beautifully crafted Havana Beech which captures the essence of natural, pure styling for that warm, classic kitchen feel.

COLOMBO WALNUT

Undeniably the current hot fashion trend for rich seductive woods is the dark luscious brown wood-grain of our Colombo Walnut door, offering the very latest in contemporary styling.

NASSAU CALVADOS

The rich tones of this door and cabinet combination has now been established as a fashionable and elegant kitchen of warmth and character.

Cosmopolitan Range

Our Cosmopolitan range of doors are compiled from 6 of our most sought after finishes, ranging in colour and wood-grain direction.

Supplied in a wide range of contemporary options complete with a wide selection of handle options, door and drawer sizes.

Cabinets

We offer a mix of matching and aluminum cabinets in this range featuring the widest range of cabinet types available to satisfy the demand for even the most individual kitchen layouts and designs.

Our cabinets are manufactured using 18mm high density particleboard for maximum durability.

Performance

Our cabinets are all manufactured with a rigid construction to BS6222 Part 2 1997 Level H with a range of cabinets tested to FIRA GOLD standard.
