

SELECT YOUR DOORS

1. CHOOSE THE DOOR TYPE

You decide which model is for you.

2. CREATE YOUR IDEAL LOOK

You choose the frame finish and what combination of mirror, glass and or panel you require.

3. DETERMINE THE SIZE

Measure your wardrobe opening in millimetres.

Measure the finished opening in the four places as indicated :

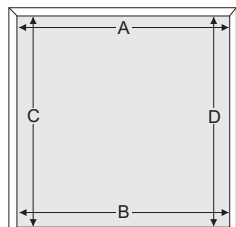

A/ Width, near top

B/ Width, near bottom

C/ Height, near left side

D/ Height, near right side

(note each measurement to the nearest mm)

4. PLACE YOUR ORDER

Maximum sizes for each door style:

Bottom Rolling Sliding Door

5000w x 2485h

Bifold Door

1830w x 2440h

Pivot Door

1830w x 2440h

YOUR BEST CHOICE FOR QUALITY AND PERFORMANCE

YOUR BEST CHOICE FOR SAFETY AND RELIABILITY

Since 1980 Swan-Robes has been building a reputation for outstanding quality, service and performance. Even today those commitments haven't changed with safety being the key feature in all products; which is why Swan-Robes continues to provide quality products that will ensure many years of trouble free operation. Whether mirrored or panelled, the distinctive design and beauty of Swan-Robes doors combine to create a stunning look that you will appreciate. Aside from the obvious luxurious appeal, Swan-Robes doors are very practical, providing full and easy access to the entire opening; operate with smooth-running ease and are quick and easy to install.

Series 3275...Sliding Doors...

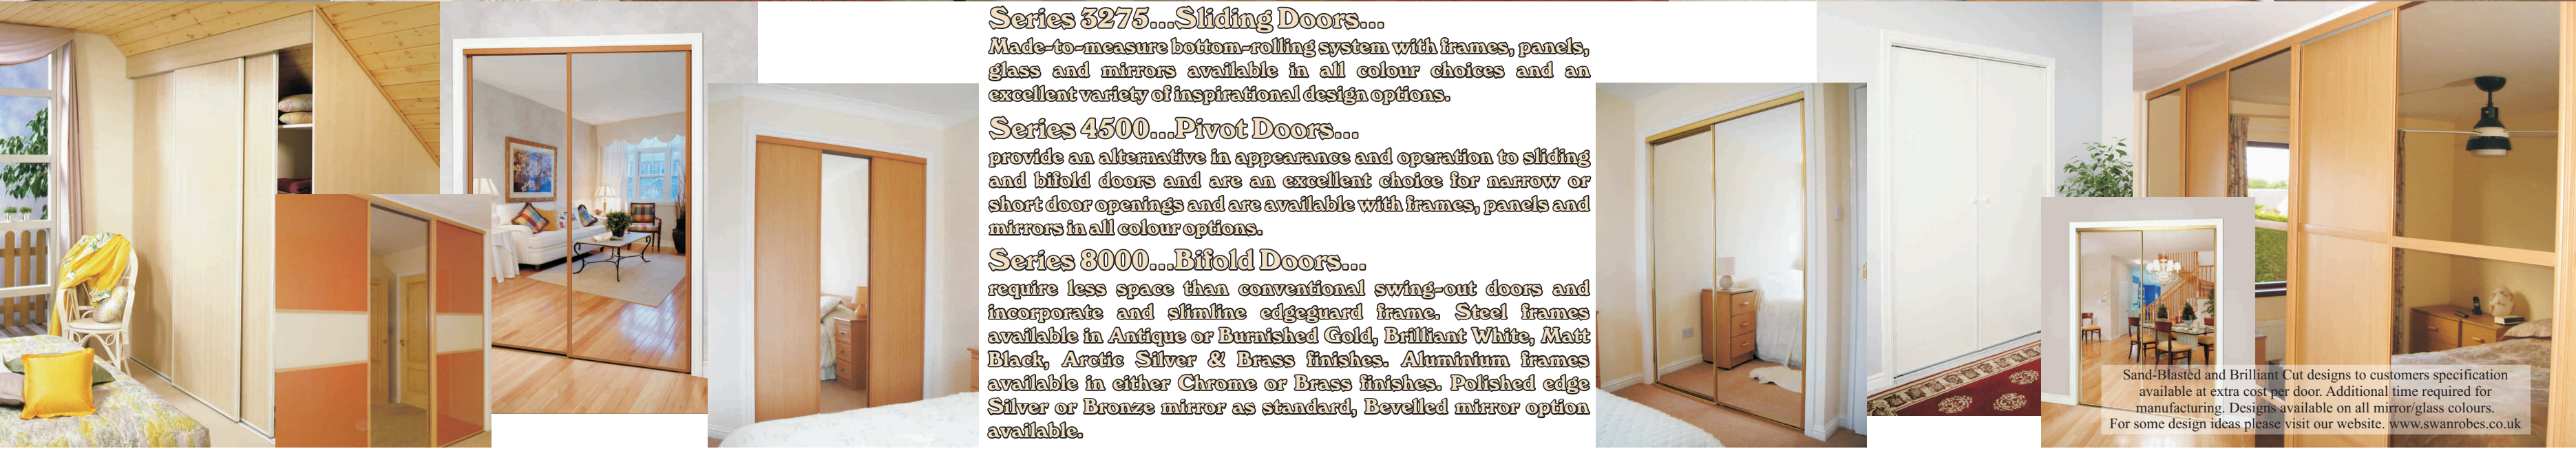

Made-to-measure bottom-rolling system with frames, panels, glass and mirrors available in all colour choices and an excellent variety of inspirational design options.

Series 4500...Pivot Doors...

provide an alternative in appearance and operation to sliding and bifold doors and are an excellent choice for narrow or short door openings and are available with frames, panels and mirrors in all colour options.

Series 8000...Bifold Doors...

require less space than conventional swing-out doors and incorporate a slimline edgeguard frame. Steel frames available in Antique or Burnished Gold, Brilliant White, Matt Black, Arctic Silver & Brass finishes. Aluminium frames available in either Chrome or Brass finishes. Polished edge Silver or Bronze mirror as standard, Bevelled mirror option available.

Sand-Blasted and Brilliant Cut designs to customers specification available at extra cost per door. Additional time required for manufacturing. Designs available on all mirror/glass colours. For some design ideas please visit our website. www.swanrobes.co.uk
